Educational Tour of Birangana Sati Sadhani Rajyik Vishwavidyalaya, Golaghat to ICFRE-Rain Forest Research Institute, Jorhat on 5 November, 2026

A group of 15 students of B. Sc. (Agriculture) along with three Faculties led by Dr. Priyanka Devi from Birangana Sati Sadhani Rajyik Vishwavidyalaya, Golaghat (Assam) visited ICFRE-Rain Forest Research Institute, Jorhat (Assam) on 5 November, 2026 as part of their educational tour.

Shri R. K. Kalita, Group Coordinator (Research) and Head, Extension Division, warmly welcomed the visiting team. Dr. Tara Kumari, Scientist-B, delivered an informative presentation highlighting the Institute's major research and development activities, with particular emphasis on their contributions to forest conservation and sustainable management of natural resources.

The students subsequently visited the Institute's Bamboo Museum and Interpretation Centre, Insectarium, Bamboo Nursery, Bamboo Germplasm and Bambusetum, where they gained valuable practical insights into bamboo diversity, insect biodiversity, and forest resource conservation.

The visit provided an enriching learning experience, bridging classroom knowledge with practical exposure to forestry research, biodiversity conservation and sustainable natural resources.
