Exposure visit of Kamarbandha Junior College, Golaghat (Assam) at ICFRE-Rain Forest Research Institute on 6 November, 2026

A group of 57 students accompanied by four teachers from Kamarbandha Junior College, Golaghat (Assam) visited ICFRE-Rain Forest Research Institute, Jorhat (Assam) on 6 November, 2026 as part of an environmental awareness programme.

The students were received by Shri Nilabh Chandra Das, Technical Officer; Shri Akshay Mishra, Technical Assistant; and Shri Nayan Jyoti Das, Technical Assistant, who guided them through various research and development facilities of the Institute and briefed them on its activities.

During the visit, the students explored the Botanical Garden, Bamboo Museum, Insectarium, Bamboo Composite Centre and Bamboo Charcoal Unit, gaining valuable insights into biodiversity conservation, bamboo-based technologies and sustainable utilization of forest resources. The visit provided an enriching learning experience and helped to enhance their awareness of environmental conservation and sustainable development.
