ICFRE-Rain Forest Research Institute, Jorhat Participates in Farmers' Fair Organized by AAU-Assam Rice Research Institute, Titabar on 6 November, 2026

ICFRE-Rain Forest Research Institute, Jorhat (Assam) actively participated in the Farmers' Fair organized by AAU-Assam Rice Research Institute, Titabar, Jorhat (Assam) on 6 November, 2026.

As part of the event, RFRI set up an informative and engaging exhibition stall showcasing the Institute's diverse research and development activities, innovative technologies and initiatives in the field of forestry and natural resource management.

The stall attracted hundreds of visitors, including farmers, students, artisans, tree growers, academicians and faculty members, who showed keen interest in the Institute's research achievements and technological interventions.

Shri Kumud Bora, Shri Bhuban Kachari, Shri Debojit Neog, Shri Mridul Saikia and Shri Ranjan Hazarika represented the Institute and interacted with visitors, shared valuable information about RFRI's research contributions and their practical applications.

The participation provided an excellent platform to strengthen scientific outreach, promote knowledge exchange and connect research with farming communities for sustainable livelihood and environmental conservation.
