ICFRE-Rain Forest Research Institute, Jorhat Organizes E-Waste Collection Drive under BRICS Sustainable Lifestyle Week 2026 on 6 November, 2026

As part of BRICS Sustainable Lifestyle Week 2026, an e-waste collection drive was successfully organised at the ICFRE–Rain Forest Research Institute, Jorhat (Assam) on 6 November, 2026, with enthusiastic participation from officers and staff members of the Institute.

The drive was coordinated by Dr. Shahina N. N., Scientist-B and Shri Nilabh Chandra Das, Technical Officer. Members from various divisions actively participated by collecting different categories of electronic waste and depositing them at a designated collection point, where the collected materials were systematically segregated.

The initiative aimed to promote awareness about the responsible disposal and management of e-waste, highlighting the importance of collective participation in reducing electronic waste pollution. It also reinforced the need to adopt environmentally responsible practices and sustainable lifestyles for a cleaner, greener and healthier environment.
